

# Tee it Up For Literacy

A Pratham – IACCGH Charity Golf Tournament

First launched in 2002 by IACCGH to offer a networking forum and to foster camaraderie amongst the participants, the goal of the Golf Tournament was to create opportunities resulting from reliant relationships.

In 2009, IACCGH partnered with Pratham USA, to embark on the beginning of the PRATHAM-IACCGH Literacy Charity Golf Tournament. Although substantially different in their respective missions, the two Houston based non-profit organizations strongly believe in a common cause, namely, KNOWLEDGE.

While IACCGH focuses on economic empowerment of the business community in the Greater Houston region through informational programs, including *Distinguished Lectures, Emerging Leaders Mentoring Circles, Small and Medium Business Outreach Programs*, etc., Pratham USA, in furtherance of its vision, *Every Child in School and Learning Well*, provides quality education to the underprivileged children in India.

## ABOUT PRATHAM USA

Over 200 million children in India - one in every two - cannot read or write. Pratham, India's leading non-profit organization in the area of primary education, aims to address this problem through large scale, measurable and high impact programs. Pratham's pre-schools, remedial learning, and libraries, benefit over a million underprivileged children every year. Its flagship program, Read India, works with communities and governments to improve literacy and numeracy skills among children, reaching over 33 million children since 2007. Pratham USA is a 501(c)(3) non-profit organization that raises awareness and mobilizes funds for Pratham programs in India.
